*Jury Trial Demanded*

FILED  
U.S. DISTRICT COURT  
S.D. OF N.Y.  
2016 NOV -3 PM 1:15

Plaintiff Michael Richard Kaye, for his complaint against the above Defendants (jointly  
"Defendants") herein, alleges:

**Parties and Jurisdiction**

1. Plaintiff Michael Richard Kaye ("Plaintiff" or "Kaye") is an individual residing at 9413 SW 51 Place, Cooper City, Florida 33328. Plaintiff is the owner and creator of "Amphoman". Plaintiff owns 31 Copyrights protecting his Amphoman creation. Copies of those Copyrights are attached hereto as Exhibit A.

2. Upon information and belief, defendant Cartoon Network, Inc. ("CN") is a Delaware corporation with a principal place of business at 1050 Techwood Drive NW, Atlanta, Georgia 30318. CN also has its operational headquarters at The Time Warner Center, 10 Columbus Circle, New York, New York 10019. CN is a wholly owned subsidiary of Turner Broadcast

Systems, Inc. (“TBS”). CN produces the show “Steven Universe” and sells related products, such as Steven Universe video games, short films, companion books and toys.

3. Upon information and belief, defendant TBS is a Georgia corporation with a principal place of business at One CNN Center, Atlanta, Georgia 30303. TBS is a division of Time Warner, Inc. (TWI).

4. Upon information and belief, defendant Cable News Network, Inc. (“CNN”) is a Delaware corporation with a principal place of business at One CNN Center, Atlanta, Georgia 30303. CNN also has a principal place of business at The Time Warner Center, 10 Columbus Circle, New York, New York 10019. CNN is owned by TBS.

5. Upon information and belief, defendant TWI is a Delaware corporation with a principal place of business at The Time Warner Center, 10 Columbus Circle, New York, New York 10019. TWI owns CN through TWI’s subsidiary TBS.

6. Upon information and belief, defendant Boom Entertainment, Inc. (“Boom”) is a California corporation with a principal place of business at 6310 San Vicente Boulevard, Los Angeles, California 90048. KaBoom! (“KaBoom!”) is a division of Boom. KaBoom! publishes the Steven Universe comic books.

7. Upon information and belief, defendant Rebecca Sugar (“Sugar”) is an individual who created Steven Universe and wrote stories for Steven Universe.

8. Upon information and belief, defendant Ian Jones-Quartey (“Jones-Quartey”) is an individual and is a creative director, supervising director and writer for Steven Universe.

9. The true names and capacities, whether individual, corporate, associate, or otherwise, of Defendants sued herein as Does 1 through 10, are unknown to Plaintiff, who therefore sues such Defendants by such fictitious names (the “Doe Defendants”). Plaintiff will seek leave of

Court to amend this Complaint to state their true names and capacities when they have been ascertained. Plaintiff believes that the Doe Defendants are liable to Plaintiff as a result of their participation of some or all of the acts set forth herein.

10. This action arises under the copyright laws of the United States, 17 U.S.C. § 101 *et seq.*

11. This Court has jurisdiction of the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1338.

12. This Court has personal jurisdiction over the Defendants because, among other things, Defendants are doing business in this judicial district, a number of the Defendants have principal places of business in this judicial district, the acts complained of herein occurred in this judicial district and Defendants have caused injury to Plaintiff and his intellectual property in this judicial district.

13. Venue is proper in this judicial district pursuant to 28 U.S.C. §§ 1391 (b) and (c), and/or § 1400(a).

#### **Facts**

14. Plaintiff began developing his Amphoman creation in 1989. In 1991 Plaintiff named his main character Ulrius Joules. In 1992 Plaintiff created an Amphoman storyboard for a comic book "Ulrius Joules is Amphoman #1". Plaintiff received his first Copyright for this work, VAu333-287, on February 22, 1995.

15. Plaintiff then developed his second Amphoman story "Amphoman Presents Big Exam". This work was published as a comic strip on February 20, 1995 in the Broward Community College newspaper The Observer ("BBC Observer"). This was the first publication of Plaintiff's Amphoman creation. It is protected by Copyright VA 753-090 issued March 22,

1995. Through the rest of 1995 and through about October 28, 1996, many other Amphoman comic strips were published in the BBC Observer.

16. Plaintiff also developed subsequent comics and comic books, all of which are protected by the Copyrights attached hereto as Exhibit A.

17. Plaintiff has also maintained an on-line presence for Amphoman. For example, in 2003 he opened [www.lunchboxcollector.com](http://www.lunchboxcollector.com), and on July 25, 2009 he bought the domain name [www.Amphoman.com](http://www.Amphoman.com). He has sold Amphoman comics through these websites. On January 21, 2010 he opened a twitter account, <https://twitter.com/amphoman>, which has over 500 followers. Plaintiff has other on-line accounts.

18. Plaintiff has also sent his Amphoman work to Defendants. For example, on June 12, 2012 he contacted [Pressroom@turner.com](mailto:Pressroom@turner.com) about his story of Amphoman "My Big American Dream". On June 3, 2013, Plaintiff posted a discussion about Amphoman on LinkedIn. It was the top posting for about 2 weeks. Plaintiff forwarded a link to the active LinkedIn discussions to CNN at its "CONTACT US/NEWS TIPS" link on June 5, 2013 and on the same day, CNN acknowledged receipt of the email via its address

[CNN.Viewer.Communications.Management@cnn.com](mailto:CNN.Viewer.Communications.Management@cnn.com). On July 6, 2013 Plaintiff made front page news in the Sun-Sentinel for his Amphoman work. He forwarded the article to CNN at the above CNN.Viewer address on July 8, 2013 and on the same day CNN confirmed safe receipt of the email.

19. Amphoman contains a number of ideas and elements which are essential to the Copyright protected work. For example, Universe Gems fall from the sky and are scattered about Earth. These gems come in different sizes and possess different powers, weapons and superhuman abilities. If a person encounters a gem it embeds on the body. The gems can embed

on heroes and villains. The person with the embedded gem does not know if he or she has any powers or what those powers might be. Also, the power of the gem is activated by a specific event, and the person embedded with the gem does not know what that event is. He or she must discover it through trial and error. Because the gems can embed on villains the gems pose a threat. Urius Joules is the star of Amphoman. He is socially awkward and trying to fit in at school. A gem embeds on him and he discovers what powers he has and how to activate his powers. He becomes a hero. He hunts down and defeats villains embedded with gems. Once a villain is defeated the gem pops off and the villain loses the gem powers. Urius Joules retrieves the gem for safe keeping.

20. Plaintiff first became aware of Steven Universe when he saw an episode which aired on CN on November 4, 2013. The Steven Universe show, as well as Steven Universe cartoons, video games, short films, companion books, toys, comics and related products copy many of the Copyright protected aspects of the earlier developed Amphoman. Indeed, attached hereto as Exhibit B is a non-exhaustive comparison showing 60 times Steven Universe copied Amphoman.

21. Given the public availability of Amphoman, the fact that Amphoman was brought to the attention of Defendants at least three times by Plaintiff, and the large number of detailed similarities between Amphoman and Steven Universe, Defendants cannot credibly argue that Steven Universe was developed independently. Rather, Steven Universe copied these Copyright protected ideas and elements from Amphoman.

22. This copying was done without the knowledge or consent of Plaintiff. Plaintiff has been damaged by this copying.

#### **CLAIM FOR RELIEF**

23. Paragraphs 1 through 22 are incorporated by reference herein as if fully set forth at length.

24. Plaintiff has fully complied with all Federal Copyright laws.

25. Defendants had access to Amphoman and copied it.

26. Through their conduct set forth above, Defendants have infringed Plaintiff's Copyrights in Amphoman in violation of the Copyright Act, 17 U.S.C. §§ 106 and 501.

27. Defendants' acts of infringement are willful, intentional and purposeful, in disregard of and with indifference to Plaintiff's rights.

28. As a direct and proximate result of such infringement by Defendants, Plaintiff is entitled to damages in an amount to be proven at trial.

29. Plaintiff is also entitled to Defendants' profits attributable to the infringement pursuant to 17 U.S.C. § 504(b).

30. Plaintiff is further entitled to its attorneys' fees and full costs pursuant to 17 U.S.C. § 505 and otherwise according to law.

31. As a direct and proximate result of the foregoing acts and conduct, Plaintiff has sustained and will continue to sustain substantial, immediate and irreparable injury, for which there is no adequate remedy at law. Unless enjoined and restrained by this Court, Defendants will continue to infringe Plaintiff's rights to Amphoman.

**WHEREFOR,** Plaintiff demands judgment:

For damages in such amount as may be found, or otherwise permitted by law;

For Defendants' profits attributable to their infringement;

For Plaintiff's costs and attorneys' fees;

For a permanent injunction prohibiting Defendants, and their respective agents, servants, employees, officers, successors, licensees and assigns, and all persons acting in concert of or participating with any of them, from continuing to infringe Plaintiff's Copyrights in Amphoman;

For prejudgment interest according to law; and

For such other and further relief as the Court may deem just and proper.

Plaintiff demands a trial by jury.
